

## How Do You Meet People?

1. Try to recall the last few people you met. What were the circumstances and the first few words said? Were there any pros and cons to this interaction? Have you interacted with any of these people since that initial meeting?

---

---

---

---

2. Do you remember how you met long-time friends?

---

---

---

---

3. Do you feel you need more social connections in your life?
